

All motherboards listed on the **GeIL Qualified Motherboard List – GQML** have been tested with the specified GeIL memory kits for compatibility, stability and performance by GeILs' FAE to ensure best quality.

If you encounter any technical issue or need further assistance please contact our Tech Support at [tech@geil.com.tw](mailto:tech@geil.com.tw).

Please also refer to each of the motherboard manufacture's official website for more information and cross-referencing.
